Got your VM, Jay, and left you one in return. I am tied up at 9 tomorrow; however, we plan to send someone. Safe travels.

Thanks,
Greg

Per our conversation this morning, attached are the draft CRADA and associated SOW. We are talking with the WaterGen tomorrow at 9:30. I realize that it's very short notice so I'll include you on the invite but completely understand if you're not able to join.

Have a great evening Greg.
